Special Thanks:

Rick - Words just can express how grateful I am to you for your creativity, your passion for excellence and your faithfulness as a friend. It's been a long road, brother, but I have truly enjoyed the journey. Let's do another one soon, ok?

Mark - You've been blessed with an enormous talent and a great set of ears. Thank you for your patience and your willingness to work such a crazy schedule to get this project out. You made it so easy to feel comfortable.

Singers - Thanks for your lending your voices.

Thana - Nobody encourages or believes in me like you do. You have my deepest gratitude for supporting me in prayer, words of truth and being my best friend. I love to hear you sing...

Faith Marie - You bring great joy to your Mom & Me. You were created to Praise. Pastor Bob Underwood and East Ridge Baptist Church, Granbury, Texas - Thank you for providing a place where we can worship the Father, Son and Holy Spirit with freedom and unbridled passion. Thank you for helping me find my Psalmist calling and for encouraging me to reach farther and higher.

Everyone else who has ever prayed for me, given me advice, and encouraged me to write and record - Many Thanks. God bless you real good.

Extra Special Thanks: Lord God Almighty - Thank you for everything. You know me and still love me. May my tongue never be silent to exalt and worship you and may my life somehow point others to your holy face.
